Moya Cole Hospice Snowdon at Sunrise Challenge Terms & Conditions

These are the terms and conditions of Moya Cole Hospice (MCH). The event will be led by Lost Earth Adventures (LEA), and all participants must comply with both MCH's terms and conditions and the directions of LEA. Participants are required to complete registration with MCH and individually submit LEA's participant booking/disclaimer form prior to taking part.

Entry & Fees

- The registration fee is **£35 per participant** and is **non-refundable**.
- If you cannot attend the challenge, you must inform MCH as soon as possible.
- The minimum age for participants is **18 years old.**
- Participants with health conditions or impairments must contact MCH prior to registering, as an overnight mountain ascent and descent may not be suitable for everyone.
- If a participant requires assistance from another person, the assistant must also register as a participant and meet all event requirements.
- **No dogs are permitted** on this challenge for safety, wildlife protection, and group management reasons.
- The Snowdon at Sunrise Challenge is a guided mountain walk, not a race.
- No participants are allowed to run or jog, and no one may leave the group while continuing to participate in the event.
- By registering, you agree to follow the directions of LEA and abide by the rules and conditions of the challenge, including refraining from consuming alcohol or recreational drugs before or during the event.
- You must arrive on time and adequately prepared for a night and early-morning mountain hike, including bringing a working headtorch and appropriate mountain clothing and footwear as set out in the kit list.
- If you or any members of your group arrive late or insufficiently prepared, LEA may refuse participation, and no refunds will be given.

Sponsorship

- By registering, you commit to aiming to raise a minimum sponsorship target of **£350** (excluding Gift Aid) for MCH. You may top up your sponsorship with your own money if you wish.
- To confirm your place on the challenge, you must have raised at least **£175** (50% of your minimum target, excluding Gift Aid) by **Sunday 8th August 2027** (six weeks prior to the event). All remaining sponsorship funds must be paid in to MCH by **Sunday 17th October 2027** (four weeks after the event).

- You must not use any of the sponsorship money raised in relation to the challenge to cover your personal expenses. Failure to pass all sponsorship funds to MCH may constitute a criminal offence.
- Please make cheques payable to **Moya Cole Hospice** and ensure the name(s) of participants are written on the back. Please do not send cash through the post.

Emergency Contacts

- You must provide an emergency contact name and telephone number for someone who will be available on the day of the event. This contact should not be another participant in the challenge.

Liability

- All participants take part at their own risk. MCH and LEA accept no liability for any injuries, loss, or damages, including indirect, punitive, special, incidental, or consequential losses connected with any aspect of this challenge.
- LEA takes every precaution to ensure the safety of all participants. However, by undertaking a challenge organised by LEA—including an overnight mountain ascent and descent in dark and changeable conditions—you are assuming the risk of any injury, including death. MCH, LEA and/or their employees, agents, subcontractors, and suppliers cannot be held responsible for any injury caused to you, or by you to others, resulting from your failure to follow an instruction(s) or recommendation(s).
- You agree to abide by the authority of the tour/mountain leader, who represents LEA. The decision of the leader as to the conduct, route, itinerary, and objectives of the challenge is final. If, in the opinion of the leader, your behaviour or physical condition is putting the wellbeing of other people at risk, or if the leader considers your general wellbeing to be at risk by continuing the challenge, you may be asked to leave the group without the right to any refund for unused services.

Weather

- If the weather makes it unsafe to do the planned activity or summit ascent, LEA will offer a suitable alternative or replacement activity. However, under no circumstances will money be refunded due to severe or adverse weather, and you will not be able to reschedule the activity.
- The reason for this is that LEA must still pay qualified mountain leaders and travel/fuel costs for the event, alongside advance operational and administrative costs.

- Mountain weather in Eryri (Snowdonia) changes rapidly and cannot be controlled, so decisions on route adjustments or summit safety will be made on the day by LEA. LEA will always act with participants' safety and best interests in mind.
- Where and what LEA takes you to do will depend on conditions on the day and the qualifications of the instructors leading the group.

Photos and Marketing

- Professional photographers may be present during the event. If you do not wish to appear in photographs or on film, you must inform the photographers on the day. Photos and footage from the event may be used in future MCH and LEA publications, online platforms, communications, and media to promote future challenges and other activities.

Your Valuables

- We recommend that you do not bring valuables with you on the challenge. If you ask one of our staff members to carry or store valuables, you do so at your own risk. LEA and MCH are not responsible for any items lost or stolen during the event.

Emergency Procedures

- In the unlikely event of an emergency, LEA will take all necessary steps to ensure participant safety. In the case that your instructor is incapacitated, you must raise the alarm and await assistance.

Health and Fitness

- It is imperative that you advise MCH and LEA at the time of booking of any condition, medical or otherwise, that might affect you or others' enjoyment or safety during the event. Your booking is accepted on the understanding that you and all members of your party are fit to join the challenge.
