

Moya Cole  
HOSPICE

# A new Moya Cole Hospice for you

Your outpatient support in our new hospice

Registered Charity No. 258085

# A New Chapter for Moya Cole Hospice

We're excited to let you know that our outpatient services will soon be moving to our new purpose-built hospice. This move will help us provide support in a modern, welcoming environment.

## What This Means for You

- When is the move happening? The move is planned for May 2026.
- Will there be any changes?

All of our outpatient services and sessions will continue at our current Heald Green site for as long as possible. But as we get towards the final weeks before our move, we may need to make some adjustments. This could include:

- A short pause in sessions while the transition takes place.
- Sessions offered at our Little Hulton site during this time.
- Remote sessions may also be available.

# Your support During the Transition

Your care and support remains our priority. We'll keep you informed and work with you to find the best option, whether that's rescheduling, attending sessions at Little Hulton, or joining us remotely on video call or phone.

We will then get sessions up and running in our wonderful new hospice as soon as possible and we can't wait to welcome you there.

## What You Can Look Forward To

- Modern facilities designed for comfort and accessibility.
- Improved spaces for therapy and support.
- A welcoming environment for you and your loved ones.
- Beautiful gardens and bright open spaces.
- Much improved communal spaces such as our café area.

### Questions?

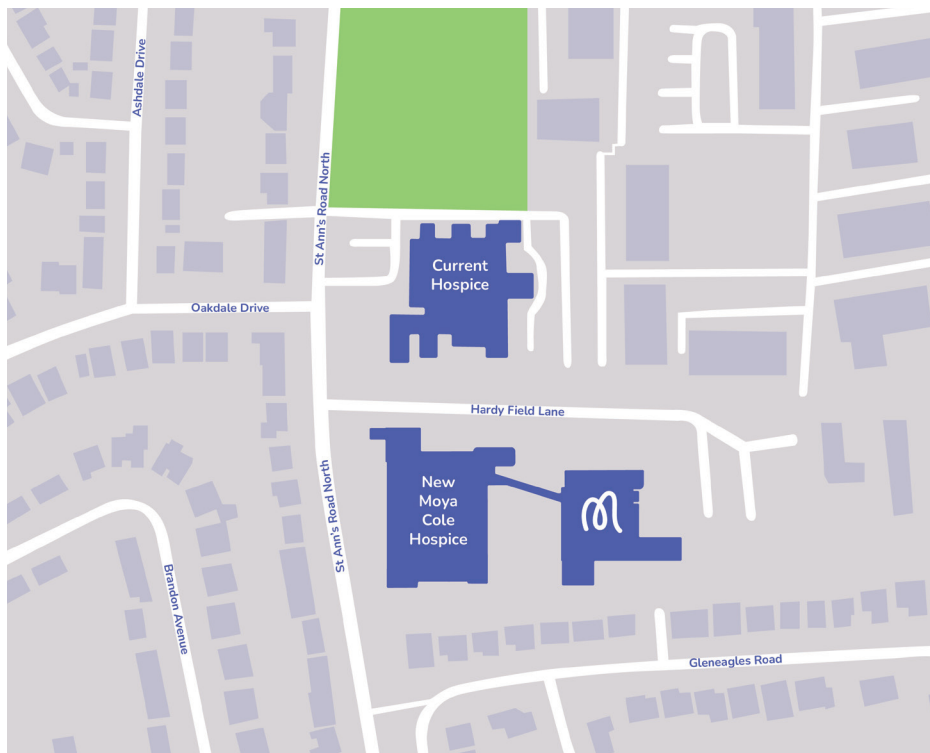

If you have any questions or concerns, please speak to any of the Being You Centre team, or get in touch:
